EDUCATION

Samrat Ashok Technological Institute
B.TECH - CGPA - 7.20

Nov 2022 – June 2026
Vidisha, Madhya Pradesh

COURSEWORK / SKILLS

- | | | | |
|-------------------------------------|---------------------------------------|------------------------------------|-------------------------|
| • Data Structures & Algorithms(DSA) | • Object-Oriented Programming (java) | • Database Management System(DBMS) | • Blockchain Technology |
| • C Programming | • Python Programming | • Software Engineering | • Computer Networks |
| | | | • Operating Systems |

TECHNICAL SKILLS

Languages: Python, C, JavaScript, SQL
Technologies/Frameworks: HTML, CSS, Bootstrap, GitHub, Linux, Node.js, Express.js
Developer Tools: VS Code, GitHub, Canva, Replit, XAMPP

PROJECTS

Implementation Of Chatbot Using NLP | Python,NLP

- Programmed a Python-based NLP chatbot utilizing NLTK and scikit-learn, achieving 98 percentage accuracy in intent classification via TfidfVectorizer and Logistic Regression, resulting in 100+ resolved queries daily.
- Leveraged NLTK and scikit-learn to categorize user inquiries, achieving 95 percentage accuracy in intent classification using TfidfVectorizer and Logistic Regression, and resulting in 200+ resolved queries daily.

E-commerce website development | HTML, CSS, JavaScript

- Developed a responsive e-commerce website using **HTML, CSS, and JavaScript**, delivering an intuitive shopping experience with optimized user interface and navigation.
- Integrated a real-time product recommendation engine into the search bar, resulting in an average of 2 additional products viewed per search and increased cross-selling opportunities by 15 percentage.

INTERNSHIP AND EXPERIENCE

Internship – Artificial Intelligence & Data Analytics

Feb 2025 – March 2025

Organized by “AICTE – All India Council for Technical Education”

Remote

- Enhanced the NLP chatbot’s performance by refining the stop word list and stemming algorithms, which reduced computational cost for each query by 15 milliseconds.
- Streamlined chatbot’s training process by developing a Python script that automatically extracts and labels key phrases from customer conversations, saving team 15+ hours per week.

Web Development Bootcamp – IIT Indore

June 2024

Organized by IIT Indore

IIT Indore

- Gained hands-on experience in **front-end development** using **HTML, CSS, JavaScript**, and responsive design principles.
- Built interactive web applications and user interfaces using modern frameworks and libraries.

Web Development Intern – MANIT Bhopal

June 2023 – June 2023

Maulana Azad National Institute of Technology (MANIT)

Bhopal, Madhya Pradesh

- Successfully completed a Web Development Internship, gaining practical exposure to web development concepts and industry practices.
- Developed understanding of web technologies, website architecture, problem-solving, and software development principles.

EXTRACURRICULAR

INSPIRE CLUB

May 2023 - Present

Student Coordinator

- The Inspire Club empowers students by enhancing their **interpersonal and leadership skills**. I coordinated **events, camps, and educational trips**, and facilitated interactive sessions, demonstrating strong **project management, communication, and organizational** capabilities.
